How long have you lived in the Templeton School District area: Since 1990

Education: B.S., Cal Poly; M.S. and Ph.D., Texas A&M

Occupation: Agricultural Consultant, Financial and Development Consultant

Marital Status/Family: Married. 5 children. 3 THS graduates, 2 current students

Current and past civic activities: President, Templeton School Board (in 4th term)

TAAG member (11+ years), Past 4-H Leader, THS Boosters, numerous community fund raising groups,

Reasons for wanting to be a delegate (3 most important):

1. I believe I provide TAAG with a community-wide perspective, having extensive experience in both community and business matters concerning Templeton. I provide the greatest experience and success working with County government

My background in agriculture and business allow me to provide an additional depth and perspective reflecting the concerns and needs of the Agriculture and viable future of the community.

2. I have an active interest in existing and future Land Use Elements which guide the development of our community and surrounding area. Having been an originator of TAAG's Architectural Review Committee, I have been participating in the development and review of these policies at the local level allowing us to maintain the uniqueness and integrity of our area.

3. I believe it's one responsibility to give back to their community. I have been very active in Templeton's community since moving back to the area in 1990. I do my part by being involved in the planning and future of the area served by TAAG to maintain its competition, uniqueness and history.

Committees you would be willing to serve on:

Architectural Review, Circulation, Bylaws.
