GUIDELINES FOR PRESENTING PUBLIC ORAL COMMENTS

It is important that all meeting participants conduct themselves with courtesy, dignity, civility, and respect. If you wish to present oral comments, please observe the following guidelines:

1. Identify yourself by your full name (and representation, if any) for our minutes, and speak from the podium so other attendees will have the opportunity to listen to the comments. (We have added "intention to Speak" forms so that we can include the names of speakers in the minutes and move through large groups more efficiently.)
2. Address your comments to the Chair. Conversation or debate between a speaker at the podium and members of the audience is not permitted. TAAG Committee members and the public will be allowed to ask questions following the conclusion of each speaker's comments. Please do not interrupt the speaker.
3. Oral comments should be brief and to the point. Speaker comments should be about issues, and not about any individuals involved.
4. Public oral comments are limited to three minutes per individual unless the Chair permits otherwise.
5. Please -- No audience reaction (applause or otherwise) during or after comments.
6. Written comments (letter, e-mail, etc.) are acceptable, but should be distributed to TAAG members at least three days before the meeting if possible. Written comments submitted during the meeting or submitted to TAAG following the conclusion of the meeting are encouraged and will be made part of the meeting's record.
7. Once the public comment portion of the meeting is closed, there will be no further public oral comments unless requested of and permitted by the Chair.
